

FORMILINE INDUSTRIA DE LAMINADOS LTDA

MATERIAL SAFETY DATA SHEET

A.	Product Identification	Trade Name: Chemical Name: Formula: Chemical Family:	Formplac High Pressure Decorative Laminate Mixture Paper impregnated with Thermosetting Resins
B.	Hazard Information	Hazardous Ingredients: ACGIH TLV: CAS Number Note: NFPA Hazard Rating:	None N/A N/A Laminate dust is generated while Performing certain operations like Sawing, routing, sanding, etc. Health- N/E Stability- N/E Flammability- 2
C.	Fire Hazard Data	Flash Point: Auto Ignition Temp: Flammable Limits: Extinguishing Data:	N/A >400° F N/A Use water spray to cool surfaces exposed to fire. Dust if performed while machining. Safety precaution and proper Ventilation for Class 1 dust should be followed according to NFPA-68.
D.	Reactivity Data	Stability: Condition to avoid: Hazardous Polymerization:	Stable None Will not occur
E.	Hazardous Decomposition Materials	Pyrolysis Emission similar to Wood	
F.	Precantion for Safe Handling and use	Eyes: Respiratory: Gloves: Ventilation:	Use safety glasses when cutting Not required normally. Use approved dust respirator if dust is a problem when sawing. Cloth gloves recommended while handling to prevent cuts. Provide sufficient ventilation and dust Collection when cutting material. Total dust should be kept below 10MG/M3PEL

G.	Overexposure	Inhalation:	N/A
		Ingestion:	N/A
		Skin Contact:	N/A
		Eye Contact:	If exposure to dust occurs flush eye for at least 15 minutes, contact physician if irritation persists

H.	Physical Data:	Appearance:	Solid Sheets
		Odor:	No odor
		Specific Gravity:	1.35
		Boiling Point:	N/A
		Vapor Pressure:	N/A
		PH:	N/A
		Solubility in Water:	None in normal use
Melting point:	N/A		

The information and statements herein are believed to be reliable but are not to be construed as a warranty, expressed or implied, or representation for which we assume legal responsibility. Users should undertake sufficient verification and testing to determine the suitability for their own particular purpose of any information of products referred to herein.

Vendor assumes no responsibility for injury to vendee or third person caused by the material if reasonable safety procedures are not adhered to, as stipulated in the data sheet. Additionally vendor assumes no responsibility for injury to vendee or third person proximately caused by abnormal use of the material even if reasonable safety procedures are followed. Furthermore, vendee assumes the risk in his use of the material.
