

CENTURY COMPONENTS

Premium Kitchen and Bath Organization.

The X-Series Bracket System for Base Cabinets redefines customizable cabinet organization. Featuring sturdy wood pilasters with predrilled holes, this system pairs with durable metal brackets that attach directly to the slide, securely holding roll-out drawers in place. The swing-and-slide action allows effortless height adjustment, letting you customize the spacing to fit your storage needs.

Transform your drawer organization with the **MagnaBase Deep Drawer Organizer**, a sleek, versatile solution for modern storage. Unlike traditional pegboard systems, MagnaBase introduces a revolutionary design with a concealed steel base paired with magnetic pegs. The pegs easily anchor to the base plate, allowing you to position and reposition them effortlessly to meet your unique storage needs.

Eliminate countertop clutter by charging your devices in a secure, out-of-sight location with our **Galaxy Drawer** premium charging system. Combining top-of-the-line Docking Drawer technology with Century's proven quality and craftsmanship, this system is truly second to none. The luxurious Italian leather insert provides soft protection for your devices. Each unit is equipped with Blum® TANDEM, 100 lb. rated, soft close undermount slides, allowing for smooth operation and quick, easy installation. Stylish and practical, this charging solution offers both functionality and elegance for your modern kitchen.
